Induced by

"The Twenty Payment Plan" This plan enables one in any station of life to accumulate high-grade. dividend - paying securities, and receive, right at the start, the benefit of all dividends disbursed. Every payment made under its terms marks definite progress toward the complete ownership of gilt-edge stocks.

How to utilize the plan to the best possible advantage, in connection advantage, in connection the securities that pos-sess the greatest invest-ment and market-profit value, consistent with stability of principal, is cur-rently outlined in our fortnightly publication "Investment Opportunities"

Those interested in getting the most out of their surplus funds should not fail to regu-larly receive this valu-able publication. It will able publication. It will be sent free of charge, beginning with the pres-ent issue upon request for 31-W, including booklet explaining "The Twenty Payment Plan."

LATTERY & (0

The Safest Investments

Are those that do not fluctuate during dis-turbed conditions of the money or stock markets. First deed of trust notes (first mortgages), well secured on real cetate in the District of Columbia, constitute "gitt-edge" investments, and do not depend upon the financial responsibility of individuals or corporations for their stability. We can supply such investments in amounts from 500 upward. Send for booklet, "Concerning Loans and Investments."

Swartzell, Rheem & Hensey Co., 727 Fifteenth Street Northwest.

SUBMARINE BOAT CO. TO WORK ON AEROS

Enters Into Agreement with Wright-

Martin Interests. Special to The Washington Herald. New York, Oct. 30.—The submarine Boat Corporation is about to enter into a working arrangement with the Wright-Martin Aircraft Corporation, recently organized by strong interests to manufacture aero-planes and aeroplane motors. The Wright-Martin Corporation is a consolidation of the Wright Aeroplane Company, the Glenn L. Martin Aeroplane Company and the Simplex Automobile Company and the Simplex Automobile Company, says the Wall Street Journal. Under this new working arrangement the Submarine Boat Corporation will recognize the validity of the Wright aeroplane patents, and will work in close harmony with the Wright-Martin Corpora-tion in the development of the aeroplane with the Wright-Martin Corpo

business. The Submarine Boat Corporation has extensive foreign connections, with effi-cient organization in nearly every country of importance in the world, and the new working arrangement will permit the Wright Corporation therefore to secure a commanding position both in this country and abroad in the manufacture and sale

of aerophane in the world, and the me world are me world are me world and the me world are me world and the me world are me world are me world are me world and the me world are me world and the me world are me world and the me world are me world are me world and the me world are me world and the me world are me world and the me world are me world are me world and the me world are me world are me world and the me world are me world are me world are me world are me world

the first day's results on the national election were recorded: Wilson, 36; Hughes, 32; Benson, 1, and Hanly, 1. No attempt was made to question the right of any customer to vote. All were free to register their choice, regardless of whether they were legally on the voting

of the District. The balloting will continue for the re-mainder of the week, and the final result .00all.00.
